About the Park School

The Park School is a Pre-K to Grade VIII independent school in Brookline, MA dedicated to excellence in education. The cornerstone of Park's program is academic excellence, combining both high standards of scholarship and the encouragement of each child to develop to his or her greatest potential. Our school community fosters a nurturing environment in which children develop curiosity, express creativity, appreciate the value of hard work and discipline, and experience the joy of learning. Park's faculty encourages each student to strive for intellectual, physical and moral growth and to become contributing members of the community.

We seek a candidate to join our school community and work along with our music faculty to teach and assist elementary level general music.

The Elementary general music program nurtures the love of music while laying a strong foundation for understanding musical concepts and developing musical skills. The program, in alignment with the NAfME Standards for Music Education, introduces students to the basic elements of music. These elements come to life through a diverse range of repertoire and learning experiences, which use speech, rhyme, games, singing, dance, movement, listening, stories, body percussion and musical instruments (such as unpitched percussion instruments, boomwhackers, xylophones, and recorders). At the Park School, faculty engage respectfully with families and demonstrate sensitivity to cultures, values, configurations, and beliefs.
